INFRA PROJECTS PVT.LTD

## **GUNNAM INFRA**

**Commercial Excavation | High Rise Foundations**  
**Civil Infrastructure | Oil & Gas Pipeline works | Roadworks**

**It Is Our People &  
Experience That  
Deliver Proven  
Earthworks &  
Environmental  
Solutions**

- ★ GUNNAM Infra Projects is owned by Aborigines, and the corporation has been serving the construction industry since 1994.
- ★ Today, we are a leader in civil excavation activities with a motto of providing better services in contract works like Hard Rock Blasting, Laying of Roads, Trenching and laying of cross country Gas Pipelines & Water Pipelines and many more.
- ★ The corporation focuses on providing excavation solutions to remediation and construction works in India.

- ★ GUNNAM Infra objective is to accelerate timely delivery of services to client, with a strong emphasis on quality and prioritizing safety.
- ★ We are constantly evolving and improving the way we support our clients.
- ★ We continually invest in the latest heavy equipment and tractor/trailer units.
- ★ Our greatest investment is in the development and retention of our people.
- ★ It is our people that deliver on the highest level of Safety, Quality, and Value to our clients...every day.

A construction site featuring large-diameter pipes laid out in a trench. In the background, several tall cranes are visible against a clear sky. The image is overlaid with a teal geometric pattern consisting of overlapping triangles.

**Our business, like the work we do,  
is built to last.**

## OUR VISION

To implement a safe, efficient, and ethical business, on a platform that reinforces our relationship with the employees and clients, to help our business to prosper.

## OUR MISSION

Be the industry leader in providing our clients with the highest levels of safety, quality and value for their Construction works.
